Dear Sir,

**Subject: Typographical error in Financial Results for the quarter ended on June 30, 2021**

With reference to the above, the Company has uploaded Financial Results for the quarter ended on June 30, 2021 on July 23, 2021 within the stipulated time. However the Company has erroneously mentioned the Basic and Diluted Earnings per Equity Share of Rs.-3.40 in the column of Unaudited Financial Results of June 30, 2020 instead of Audited Financial Results of March 31, 2021. Therefore please read the Basic and Diluted Earnings per Equity Shares as Rs.-3.40 in the column of Audited Financial Results of March 31, 2021

Kindly ignore the typographical error and consider the Financial Results of the Company for the quarter ended on June 30, 2021.

Thanking you,

Yours faithfully,

Gujarat Terce Laboratories Limited
